

EmpowerStride 12-Week Curriculum Program Application Women and Children Who Have Suffered Trauma and Abuse

This 12-week series provides direction for victims who are rebuilding their lives from trauma and abuse. By partnering with the horses through a structured building-block curriculum with focused objectives, participants will learn strategies and takeaways to deal with life's challenges. EmpowerStride will help participants move forward confidently, building critical life skills paralleled back to their worlds in a safe and unique environment!
